Our Amazing Place Community Treasure Hunt

Saturday 23rd March 2013

What is the Our Amazing Place Community Treasure Hunt?

A treasure hunt is a free community event where people spend several hours following a series of trails exploring the "treasures" of their local community.

Along the trails there are numerous activity stations which highlight community treasures. These treasures may include special parts of the local landscape, people with various talents or knowledge, community resources, community groups and projects.

Mini events, special tasks, information or refreshments may be available at each point of discovery on the trails. The trails converge at a local park with a family picnic along with music and prizes where we celebrate the people and places that make up our great community.

How you can be involved?

- **Be a station holder, the treasure hunts are a great way to promote your organisation whilst building relationships with people in your community**
- **Help on the organising group, we need people to assist on the day with registrations, safe road crossings, food and other logistics**
 - **Donate a prize, Help with equipment, Provide manpower**
 - **Organise a team with family and friends to take part**

For more information and to become involved please contact

Why a treasure hunt?

It's an event to have fun with the community in the community.
To showcase local natural, social, cultural and built capital
To provide an opportunity for local organisations and groups to showcase themselves.

It's an opportunity for community networking and socialising.
To build foundations for community resilience
To develop a greater understanding of who's who in the community and who is doing what.
