About the workshop...

Death and injury from child abuse are preventable, but everyone involved with a child needs to do their part. Can you?

- Recognise when a child may be being abused?
- Respond appropriately when a child discloses abuse?
- Be sure you are doing the right thing?
- Refer a child to the best help available?
- Understand the legal aspects of reporting child abuse?
- Cope with your emotions about child abuse?
- Help someone who is worried about a child?

Topics covered include:

- Signs and symptoms of abuse
- How to respond if a child discloses abuse
- Do's and Don'ts in talking to children
- Legal requirements about reporting abuse
- How to stand up for the child when you meet resistance from others
- How a child protection policy can help
- How to deal with your own feelings
- Where to refer and get the help needed
