

# Festival of Good Ideas

**A free event for people of all abilities!**

Join The Cube for a celebration of the International Day Of Persons With Disabilities, as we attempt to again break the **Guinness World Record** for the longest moving line of wheelchairs!

In addition to breaking the Guinness World Record, we're also organising a fun festival! Come and see all the Cube partners showcasing what they do, listen to some music on the music stage and enjoy some fun activities such as bouncy castles, and games!

Invacare have been awesome and agreed to sponsor the event and bring over 100 wheelchairs for people to use if they don't have their own!

**Join the record books and be part of history in the making!**

**December 3rd 2014 from 11am - 3pm with record attempt at 12pm**
